XT ACADEMY

XT NFT

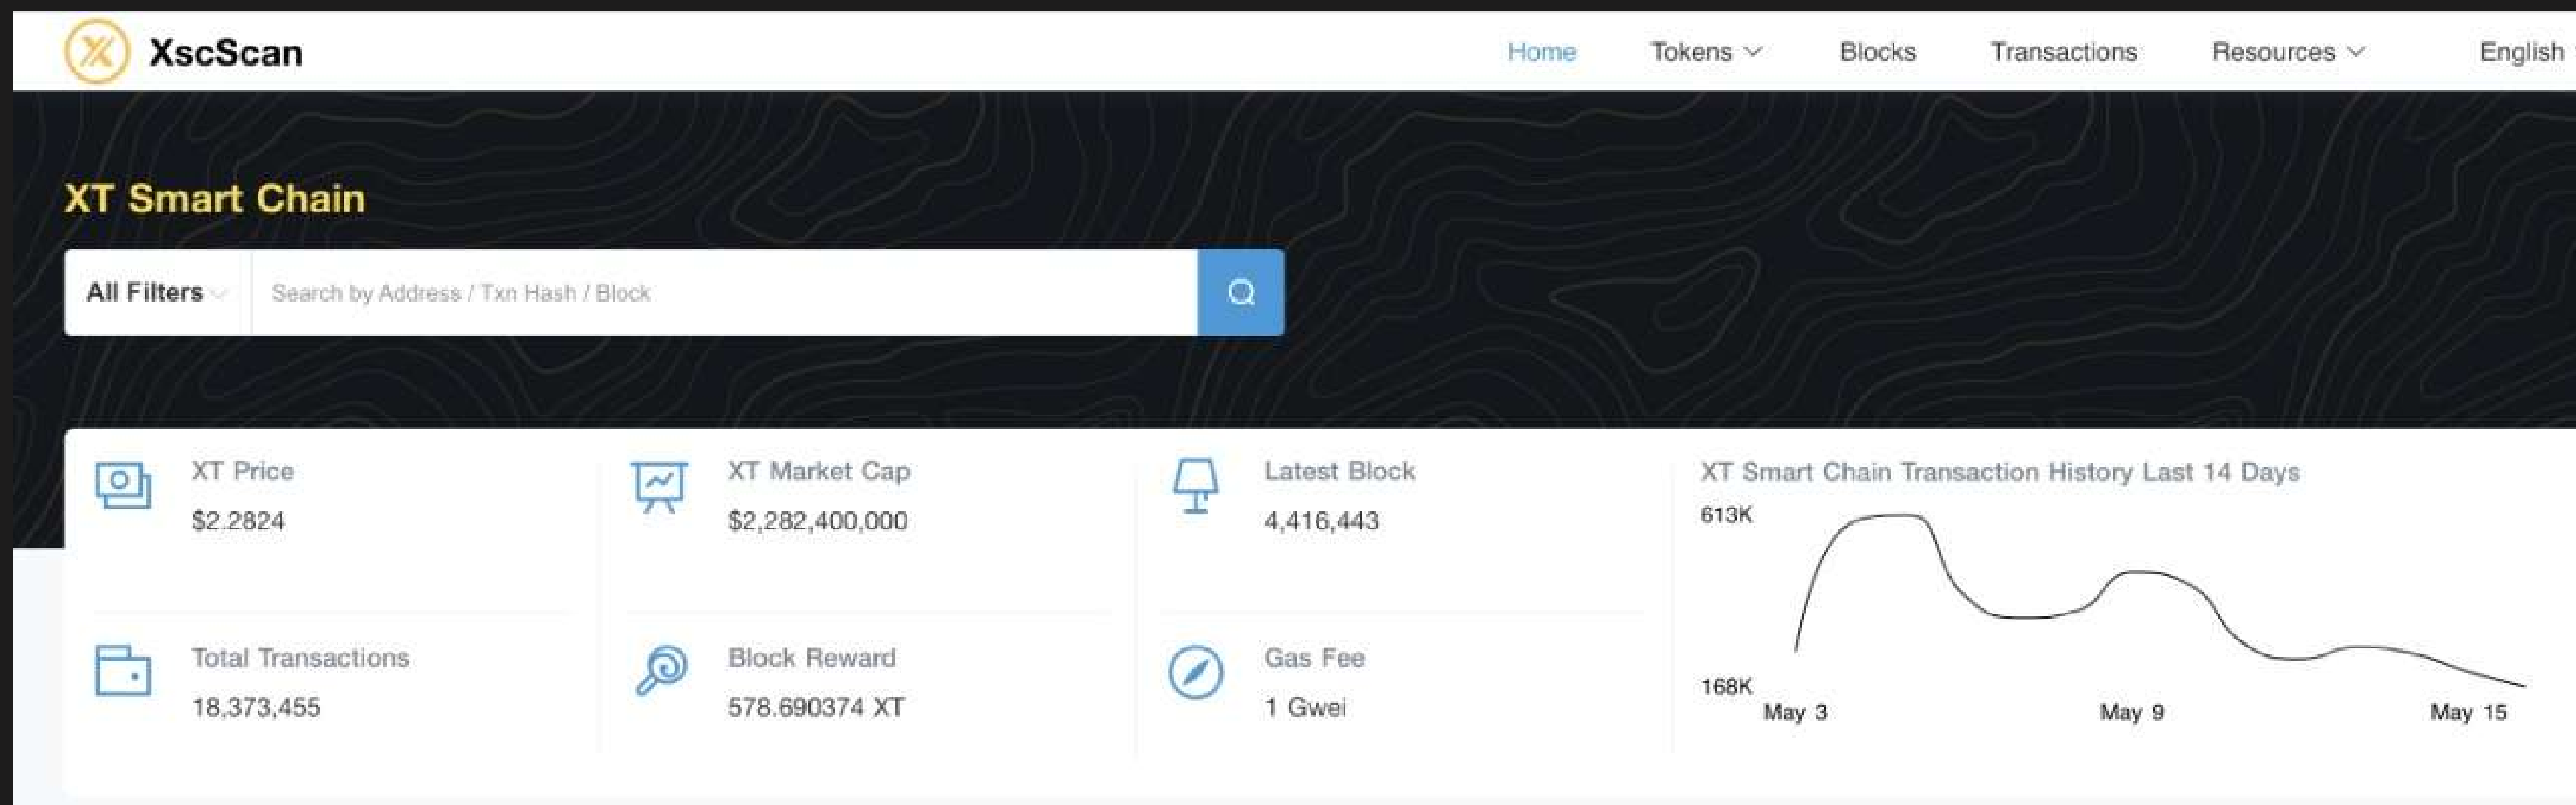

XT NFT

XT NFT is a digital marketplace enabling NFT buyers, sellers, creators and collectors to trade the digital assets at minimal costs, on a secure platform. The traders can also connect with a large global community at ease with its unique features and exclusive collaborations.

XT SMARTCHAIN (XSC)

XSC is an EVM-compatible public blockchain with fast block generation speed, low gas fee and smooth operation that supports smart contracts, cross-chain operation, NFT, and Ethereum-based applications. It integrates both dapp development and user experience for ease of use.
